How to Insert a Picture into the Table

Step 1: Start with a Table

You have a 2x2 table in your document. Click one of the cells.  
(If you don’t know how to insert a table, see the guide for How to Insert a Table into your Document in MS Word)

Step 2:

- Click  
- Click

Step 3:

- Click  
- Click
Step 4:

- Double click your picture.

You inserted a picture into your table.
