Getting Student ID's and Using the Library

- Tell students that you would like them all to get a student ID. They will need a photo ID (driver's license, passport) and their GRCC registration paper (or teacher's roster). Tell students which day they need to bring these documents. (You will probably want to talk to bookstore personnel to make sure that they are well staffed at the time you plan to bring your class in.)
- Go to the bookstore with your students, so that they can get their GRCC student ID's.
- Go to the library with your students. Show them the basic skills collection. Have them check out at least one book. Go over the library check out documents in class afterwards. (Again, you probably want to talk to the library staff to make sure the library is well staffed at the time you plan to bring your class in.)
