

Directions: Divide your class into two teams. Cover the pictures and words with a post-it. Have each team take turns. Show students how they can choose 1 letter and 1 number to uncover a picture. Tell them to try and find words that match the pictures. Don't let students write! This is a memory game.

	a	b	c	d
1			poor	far
2	busy		scared	
3	famous			cute
4		cool	painful	
5	crowded			noisy
