

Enlarge these sentences, then cut them up and put them into an envelope with the number on the outside. Let Ss work in small groups to make the sentences. Have them copy them in their notebooks with the number from the envelope. Don't help them. When everyone is finished have Ss write the sentences on the board. Correct them as a class and have Ss correct the sentences in their notebooks. You should have covered basic word order (S/V/O/place/time) and frequency adv. before you do this activity.
