III: Talking about Health Write a dialogue and then practice speaking!

 <p>How do you feel today? I feel sick.</p>	 <p>What's the matter? I have a cough.</p>
--	--

How		you	feel?
	do	we	
		they	
	does	he	
		she	

I	have	a headache
We	don't have	a cough
You		a fever
They		a scrape
He	has	a sting
She	doesn't have	a cut
		chills
		diarrhea

I	am	dizzy
	am not	
He		sweaty
She	is	exhausted
It	isn't	nauseous
They	are	vomiting
You	aren't	sneezing
We		constipated

How are you today?

I'm healthy. I feel fine.  
I feel good. How about you?

Match the pictures with the sentences.

He has diarrhea.

His shoulder hurts.

He has a sprain.

Linda has a cough.

Write some sentences.

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

4. \_\_\_\_\_

IV: Read the stories.

Ask and answer questions about the stories.

- Example: Does Francisco have a headache? Does Paul have a broken arm? What does Paul need? How does Bill feel? What's the matter with Nancy?

When you finish speaking, write the stories again and change the subject to "I."

This is Francisco.  
He is sick.  
He has a cold.  
He cannot go to work today.  
He needs aspirin. He needs hot tea.

This is Paul.  
He sprained his arm.  
His foot hurts.  
He has a headache.  
He needs pain medicine.  
He cannot go to school.

They are sick!  
Bill has a headache.  
Nancy's foot hurts.  
Sam broke his arm.  
Tom has a black eye.  
They need help.  
They need a doctor.
