

The Body - Verbs Used with Different Parts of the Body

Directions: After you teach body parts, work with the following verbs. Pre-teach them using TPR, then cut up the words in Table 2 and have students put the verb under the correct body part category. You can expand this activity by having Ss ask each other questions : “What do you do with your_____?”

Table 1: Answers

blink	eyes	eat	mouth
watch	eyes	talk	mouth
look at	eyes	taste	mouth
wink	eye	whisper	mouth
