

## **Script for Last weekend**

Read slowly. Repeat each sentence 2/3 times. Put up overhead so students understand how to fill in the missing words.

Last Saturday I walked downtown. First I stopped at the bank and deposited my paycheck. I got \$100.00 in cash. Then I went to the shoe store because I needed a new pair of shoes. I looked at some shoes but didn't buy any. Next I stopped at the gas company. There were a lot of people, and I waited in line for fifteen minutes to pay my bill. I had to pay \$20.00. The post office is next to the gas company, so I went there next. I bought some stamps and mailed a letter to my brother. I spent ten dollars in the post office. Then I was hungry so stopped at the coffee shop and ordered juice, a cup of coffee and a donut. The bill was \$2.50 and I left a 50-cent tip. Next I walked over to the library, I read the newspaper and applied for a library card. Then I walked home.
