

Verb Tense Review: **The PAST PERFECT**

- Describes the first of two events that happened in the past and are related or connected

REMEMBER

- **had + the past participle** of the main verb

If there is another clause in the sentence, it will usually be in the past tense.

Examples:

I ran out of gas because I had not stopped to fill the tank.

Class had already started by the time she arrived.

My alarm rang at 5:00 because I had forgotten to reset it.

Write a few sentences about our outside reading book or our movie.
