

..do you think people will be healthier than they are now?

..do you think there will be more world peace?

...do you think that people will be living in Space?

Fifty years from now...

...do you think there will be less pollution?

..do you think that you will have your own house?

.. do you think that you will be a grandparent?

...do you think that there will be fewer farms?

..do you think there will be less disease?

..do you think that you will be alive?

...do you think all people will speak the same language?

...do you think that everyone will have a computer?

... do you think that there will be more good jobs?

...do you think that there will be fewer cars?

...do you think that there will be fewer immigrants in the U.S.?

..do you think that people will live longer?

...do you think all races will be equal?

..do you think men and women will be equal?
