

Internet How To

1. What is something you would like to learn how to do? Some possible examples are below:

How to:

- make a chocolate cake
- pass the citizenship test
- use skype
- talk to your child's teacher
- tie a tie

Write 2 things below that you would like to learn or know how to do.

1.
2.

2. Go to www.google.com
3. Type in your subject (e.g. How to tie a tie)
4. Look at the different results. Choose one you want to look at. (notice some have pictures. Some have video.)
5. Write down 3 of the steps you need to take to do your task. With a video, you can stop and rerun the video at any time. See the example below. Write your answer on the back of this paper.

How to tie a tie
1. Put wide end of tie in your right hand
2. Put the narrow end of the tie in your left hand
3. Cross the wide end of the tie in front of the narrow end.
