

Making a Chart Asking Questions

Directions: Make a chart like the one in this example. Write 4 questions to ask your classmates. Then insert clip art of people. When you are finished with your chart, print it. Ask your classmates your questions and write your answers.

Name	Question 1 What are you doing right now?	Question 2 What did you eat for breakfast?	Question 3 Why did you move to Washington?	Question 4 Do you like to drink coffee?
