Campus-Wide Student Learning Outcome: Responsibility

*Students will understand and agree to the teacher's and the school's rules and expectations.

*Students will do what is required to complete individual and group tasks.

*Students will be polite and will respect the needs, difficulties and rights of others.

Academic Honesty:

I encourage you to learn from and help each other, but ultimately, you must be responsible for your own work. You must do your own work on all homework, quizzes and tests. Please do not cheat!

NO CHEATING!

Student Behavior

Our time in ESOL class is for learning English. Students are expected to cooperate with the teacher and other students to help everyone learn English. If any student does not follow college and class rules, does not respect the teacher or other students, makes it difficult for other students to learn, or makes it difficult for the teacher to work with the class, that student will be asked to leave the class and cannot come back until meeting with the teacher and signing a paper to agree to good classroom behavior. Any student who has a specific problem, must meet with the teacher outside of class.
