UNIVERSITY TRANSFER DEGREES AND CERTIFICATES

Green River Community College is fully accredited by the Northwest Association of Schools and Colleges as well as by several discipline-related bodies. The College has completed numerous evaluation processes and has been recognized for performance, integrity, and quality. This is important for students who plan to transfer credits to other colleges. Academic courses will usually be accepted by other institutions offering the same (or similar) courses. However, each institution has its own transfer policy and transferability should never be assumed. The Green River Transfer Center staff in the Career and Advising Center is able to answer most questions involving transfer of credits. The Transfer Center features a library of catalogs from four-year colleges, transfer guides, information about transfer policies and transfer requirements.

Students should be aware that courses with "Pass" grades may not satisfy the requirements in their major field. Each student is responsible for knowing transfer requirements and policies, and they are urged to consult the catalog of the institution for which they plan to transfer. Students should also consult that catalog when meeting with their Green River advisor.

Many transfer institutions are putting additional pressures on students to become more "major ready" by the time they apply for admissions. This means that students need to declare their majors earlier and carefully plan which courses will meet their distribution requirements as well as meet the requirements for a particular field of study. For example: students who wish to major in business will need to include additional math, economics and accounting sequences in their coursework.

Students are strongly encouraged to meet with their community college advisor as well as an advisor from their transfer institution to verify their choices.

In most cases, four-year institutions will accept 90 credits. Green River is a member of the Inter-College Relations Commission (ICRC), and Green River’s AA, AS, AB, AM, AE, A Pre-Nurse, and AAS-T degrees comply with ICRC recommendations for transfer degrees within the state of Washington.

The Inter-College Relations Commission for the state of Washington has developed a direct transfer agreement with Washington community colleges. This ensures that students who complete a designated direct transfer AA degree at a community college will have satisfied all or most of the general education (or core) requirements at the various four-year institutions in the state. For most AA and AS students, this means that students can begin work on their specialized, major-area course work as soon as they transfer.

For some college majors, students will need to meet more specific admissions requirements, and may want to pursue an Associate Pre-Professional degree. Working with a Green River advisor, an Associate Pre-Professional degree can be designed to meet specific transfer needs.

International students will need to contact an advisor in the International Programs office to help create an educational plan specific to their needs.

During the school year, representatives from various colleges and universities visit the campus to meet with students about transfer requirements. Watch for notices in campus publications, on Green River’s web site, or call the Transfer Center in Career and Advising Center.
ASSOCIATE IN ARTS DEGREE
Direct Transfer Agreement (AA-DTA)
Minimum of 90 Credits

The Associate in Arts degree is a direct transfer degree (DTA) designed for students who plan to transfer to a four-year institution after completing the first two years of study at Green River Community College. The degree is recommended for students who have not yet decided the field they will enter or the four-year institution they will attend. It gives students the broad background they need before beginning more specialized, upper-division courses and indicates that a student has completed a two-year liberal arts program.

Students who have a particular major in mind can focus their distribution choices and elective credits toward meeting their transfer institution plan. An advisor can assist with this process. Students should include some 200 level coursework in their program of study.

This degree meets the Inter-College Relations Commission (ICRC) guidelines for direct transfer degrees, an inter-institutional agreement adopted to facilitate student transfer between community colleges and baccalaureate institutions.

Once admitted to an institution subscribing to these guidelines, the degree holder will be granted junior status and will have fulfilled most of the lower-division general education requirements of baccalaureate degree programs offered by many public and independent colleges and universities in Washington State. The following colleges subscribe to these guidelines:

**Washington**
- Bastyr University
- Central Washington University
- City University
- Cornish College of the Arts
- Eastern Washington University
- Evergreen State College
- Gonzaga University
- Heritage College
- Northwest College
- Pacific Lutheran University
- Saint Martin’s University
- Seattle Pacific University
- Seattle University
- University of Washington (some restrictions apply)
- Washington State University
- Western Washington University
- Whitworth College

**Other States**
- Oregon State University
- Capella University, California

Academic courses will usually be accepted by other institutions offering the same (or similar) courses. However, each institution has its own transfer policies and each student is responsible for knowing the transfer and admission requirements of the receiving institution. Students are urged to consult with their advisor and a representative from the college they plan to attend after Green River.

To earn this degree, students must complete 90-quarter credits in courses numbered 100 or above (from approved list on next page) and meet specific distribution requirements. No more than 25% of credit requirements may be taken on a pass/no credit basis. Students should be aware that courses with “Pass” grades may not satisfy the requirements in their major field. Each student is responsible for knowing transfer requirements and policies, and they are urged to consult the catalog of the institution for which they plan to transfer. Students must attain a cumulative grade point average of 2.0, and earn a minimum of 24 credits, including the last quarter in residence, at Green River Community College.
University Transfer

Associate in Arts Degree
Direct Transfer Agreement (AA-DTA)
Minimum of 90 Credits

1. BASIC SKILLS (15 credits)
   Any course used to satisfy Basic Skills distribution may not be used to satisfy any other portion of the Associate in Arts degree requirements.

   A. Communications: 10 credits
      Courses in this area support the written communication learning outcome.
      English 110 and one of the following:
      English 111, 112, 113, 114

   B. Quantitative Skills: 5 credits (explained below)
      Courses in this area support the quantitative and symbolic reasoning learning outcome.
      1. Completion of Mathematics course for which Intermediate Algebra (Math 097) or higher is a prerequisite.
      3. Completion of Philosophy 120:
         *If option 3 is chosen, the student must, in addition, satisfy one of the following before graduation:
         a) Qualify for placement in Math 102 or above;
         b) Complete Intermediate Algebra (Math 097) with a grade of 2.0 or higher.

2. HUMANITIES/FINE ARTS/ENGLISH (15 credits)
   (Minimum 15 credits from three separate areas.) No more than 5 credits in foreign language at the 100 level.
   No more than 5 credits in performance/skills courses (all courses in bold type) can be applied toward the Humanities/Fine Arts/English distribution.

   Art 100, 105, 106, 107, 109, 110, 111, 112, 113, 114, 115, 120, 123, 210, 212, 213, 214, 251, 252, 253, 255, 256, 257

   Philosophy 120, 215
   5. ADDITIONAL CREDITS (15 credits)
      A minimum of 15 total credits from courses listed in one or both of the following categories:
      A. Distribution Courses
         Courses in Humanities/Fine Arts/English, Social Science, or Natural Science categories listed above. There is no restriction on the number of required disciplines.
      B. Generally Transferable Courses:
         Business Administration 210, 220, 230
         Early Childhood Education 101
         Education in Early Childhood Education 110 or 110.1 and 110.2
         Education 176
         Natural Resources 100

6. LIFETIME FITNESS/WELLNESS/ACTIVITY (4-9 credits)
   - Lifetime Fitness/Wellness
     One 2- or 3-credit course from List A is required.

LIST A
   - Physical Education 101, 102, 103, 111, 131, 149, 160, 165, 169
   - One course from List B must be taken if a 2-credit class from List A has been chosen:

LIST B
   - No more than 3 credits total of physical education coursework (including your elective credits) may be applied to the AA degree.

   Degree exceptions for fitness/wellness courses must include medical documentation submitted to Disability Support Services (DSS) and documentation to the Degree Exception Committee.

II. ACTIVITY (1-6 credits – must take one)
   An activity is a fully instructed course of study that primarily involves developing proficiency in a performance- or product-based craft. Students will achieve learning primarily through physical activity and/or experience beyond traditional lecture/discussion format.

   Art 111, 114, 130
   Business Administration 111, 115

ASSOCIATE IN BUSINESS DEGREE
Direct Transfer Agreement–Major Related Program (AB-DTA/MRP)
Minimum of 90 Credits

The Associate in Business degree is generally pursued by students who plan to transfer to a four-year university as a business major after completing their first two years at Green River Community College. It is designed to meet the distribution requirements at four-year institutions in Washington state, by fulfilling the general requirements taken by freshman and sophomores. The degree also indicates that a student has completed a 2-year business program, which may be of value in career or lifetime goals.

CURL 081104
The Associate in Elementary Education degree is intended for all future elementary teachers. It provides a broad foundation in liberal arts and beginning coursework in teacher education that is needed upon transfer to most teacher certification programs at colleges/universities. It is designed to provide early experiences in teacher education, including opportunities for hands-on work in local classrooms and specific courses for elementary teachers.

### Associate in Elementary Education

**Direct Transfer Agreement – Major Related Program (DTA-MRP)**

**93-94 Credits**

**1. GENERAL REQUIREMENTS (25 credits)**

**A. Communications:** (10 credits)

Courses in this area support the written communication learning outcome.

- English 110
- and one of the following
- English 111 or 112.

**B. Quantitative Skills/Symbolic Reasoning Skills:** (15 credits)

Courses in this area support the quantitative and symbolic reasoning learning outcome.

- Mathematics 170, 171, and 172

**2. HUMANITIES/FINE ARTS/ENGLISH (15 credits)**

(Minimum 15 credits from three separate areas.)

No more than 5 credits of performance/skills classes (all course numbers in bold type) may be applied to the Humanities/Fine Arts/English distribution.

- **A. Communication** 101
- **B. English** 131, 132, 133, 151, 165, 180, or 190
- **C. Choose 5 credits from the following areas:**
  - Art 100, 105, 106, 107, 109, 110, 111, 112, 113, 114, 115, 120, 130, 209, 210, 212, 213, 214, 251, 252, 253, 255, 256, 257
  - Chinese 101, 102, 103, 111

ASSOCIATE IN MATH EDUCATION
Direct Transfer Agreement (AM-DTA)
Minimum of 90 Credits

The Associate in Math Education degree was created to aid students interested in careers as secondary math or science teachers. Future secondary teachers must pursue a major in their field as well as entrance into a school of education. As a result, there is little room for electives.

This degree is intended to insure that graduates of Green River are as well prepared as their counterparts at four-year colleges. The transferability of these degrees is backed by a statewide articulation agreement with teacher-training universities. In addition, the Associate in Math Education (DTA) is accepted by public baccalaureate institutions in the state of Washington under the Direct Transfer Agreement. It will fulfill the general education requirements at the public Washington state transfer institution.

Apart from the requirements embedded within the degree, students should check specific requirements of their intended transfer schools. This is especially true in the area of field experience, since teacher certification institutions vary in terms of the quality and quantity of experience required.

To earn this degree, students must complete 90-quarter credits in courses numbered 100 or above (from approved distribution list below) and meet specific distribution requirements. No more than 25% of credit requirements may be taken on a pass/no-credit basis. Students should be aware that courses with “Pass” grades may not satisfy the requirements in their major field. Each student is responsible for knowing the transfer requirements and policies, and they are urged to consult the catalog of the institution to which they plan to transfer. Students must attain a cumulative grade point average of 2.0 and earn a minimum of 24 credits, including the last quarter in residence, at Green River Community College.

1. BASIC SKILLS (15 credits)
Any course used to satisfy Basic Skills distribution may not be used to satisfy any other portion of the Associate in Math Education degree requirements.

A. Communications: (10 credits)
Courses in this area support the written communication learning outcome.

English 110 and one of the following:

English 111, 112 or 113.

B. Quantitative Skills: (5 credits)
Courses in this area support the quantitative and symbolic reasoning learning outcome.

Mathematics 124

2. HUMANITIES/FINE ARTS/ENGLISH (15 credits)
No more than 10 credits allowed from any one discipline.

A. Communication 101

B. No more than 5 credits allowed from any one discipline. No more than 5 credits in foreign language at the 100 level. No more than 5 credits in performance/skills courses (all courses in bold type) can be applied towards Humanities/Fine Arts/English distribution.

3. SOCIAL SCIENCE (Minimum 15 credits)
No more than 10 credits from any one discipline.

A. Psychology 100

B. A minimum of 5 credits from the following:
American Ethnic & Minority Studies 100
Anthropology 202

C. A minimum of 5 credits from the following:
Anthropology 201, 203, 204, 205, 206, 210, 215, 220, 265, 273, 274
Economics 100, 101, 200, 201
History 101, 102, 120, 122, 135, 200, 220, 221, 222, 224, 233, 233, 235, 237, 240, 245, 250
Political Science 100, 201, 202, 203, 204, 207
Psychology 200, 201, 209, 210, 220, 250
Social Science 160, 215
Sociology 110, 201, 215, 220, 230, 240, 245, 260

4. NATURAL SCIENCES (15 credits)
No more than 10 credits allowed from any one discipline.

A. Mathematics 125

B. A minimum of 10 credits from the following list with 5 credits from the lab sciences (courses designated in bold type) must be included.

Astronomy 101
Biology 100, 103, 110, 127, 201, 202, 203, 210

Chemistry 101, 102, 105, 140, 150, 160, 235, 236, 237
Geology 101, 200, 206, 208
Physics 101, 110, 111, 112, 150, 151, 152, 201, 202, 203, 208, 221

5. ADDITIONAL COURSES (25-26 credits)

Education 170
Health Education 190
Mathematics 126, 224 and 240
Lifetime Fitness/Wellness (2-3 credits)
Physical Education 101, 102, 103, 111, 131, 149, 160, 165, 169

No more than 3 credits total of physical education coursework (including your elective credits) may be applied to the AM-DTA degree.

Degree exceptions for fitness/wellness courses must include medical documentation submitted to Disability Support Services (DSS) and documentation to the Degree Exception Committee.

6. ELECTIVES (4-5 credits)
All courses listed previously except Basic Skills and Physical Education may be taken as electives. In addition, classes numbered 100 or above may be taken as electives. Courses should include preparation for major and/or general interest/leisure-time activities. (Consult your transfer institution).

7. TRANSFERABILITY OF CREDITS
Green River Community College is fully accredited. Academic courses will usually be accepted by other institutions offering the same (or similar) courses. However, each institution has its own transfer policies and each student is responsible for knowing the transfer and admission requirements of the receiving institution. Students are urged to consult with their advisor and a representative from the college they plan to attend after Green River.

To receive this information in an alternative format, please contact Disability Support Services at: DSS@greenriver.edu, (253) 833-8111, ext. 2631 or TTY at (253) 288-3359. LC-272.

CURS 080701
### 1. GENERAL REQUIREMENTS (15 credits)

**A. Communications:** (10 credits)

Courses in this area support the written communication learning outcome.

- English 110
- English 113

**B. Quantitative Skills/ Symbolic Reasoning Skills:** (5 credits)

Courses in this area support the quantitative and symbolic reasoning learning outcome.

- Mathematics 256

### 2. HUMANITIES/FINE ARTS/ENGLISH (15 credits)

No more than 10 credits allowed from any one discipline.

**A. Communication 101**

**B. A minimum of 10 credits from the following:**

- No more than 5 credits in foreign language at the 100 level.
- No more than 5 credits in performance/skills courses *(all courses in bold type)*.

- Art 100, 105, 106, 107, 109, 110, 111, 112, 113, 114, 115, 120, 130, 209, 210, 212, 213, 214, 251, 252, 253, 255, 256, 257
- Chinese 101, 102, 103, 111
- Communication 110, 145, 180, 212, 215, 234, 238, 245
- Dance 101, 102, 103, 204
- Drama 102, 111, 112, 113, 120, 140, 141, 151, 152, 153
- English 131, 132, 133, 135, 151, 152, 154, 160, 163, 165, 168, 180, 181, 183, 185, 187, 190, 221, 222, 223, 224, 225, 240, 244, 245, 246, 265, 266, 267, 268
- French 101, 102, 103, 201
- German 101, 102, 103
- Humanities 100, 110, 133, 160, 166, 190, 191, 224
- Japanese 101, 102, 103
- Philosophy 100, 102, 103, 104, 105, 110, 112, 114, 115, 160, 200, 206, 210, 220, 236, 238, 240, 243
- Photography 101, 102, 103, 104
- Spanish 101, 102, 103, 110, 201, 202, 203

### 3. SOCIAL SCIENCE (15 credits)

**A. Psychology 100**

**B. Psychology 210**

**C. A minimum of 5 credits:**

- Sociology 110, 201, 215, 220, 240, 245, 260

### 4. NATURAL SCIENCE

(36 credits with at least 25 credits lab based)

**A. Biology 201 and 210**

**B. Anatomy-Physiology 205 and 206**

**C. Chemistry 101 and 102**

**D. Nurse 100**

### 5. ADDITIONAL CREDITS: Select 10 credits from the following:

- American Ethnic & Minority Studies 100
- Anatomy-Physiology 100
- Anthropology 201, 205
- Communication 238
- Mathematics 156

To receive this information in an alternative format, please contact Disability Support Services at: DSS@greenriver.edu, (253) 833-9111, ext. 2631 or TTY at (253) 288-3359. LC-272.
ASSOCIATE IN SCIENCE TRANSFER DEGREE
(AS-T Option 1)
Minimum of 90 Credits

The Associate in Science transfer degree Option 1 encompasses general education courses required of first and second year students and is intended to prepare students planning to transfer to a four-year institution in the science-related fields. It will give students the broad background needed before beginning more specialized, upper-division courses. The Associate in Science transfer degree Option 1 curriculum is not intended to fulfill General Education/University (GER/GUR) requirements, but rather to prepare prospective transfer science students to enter the state universities with junior standing, not only in credits but with major/program preparation as well.

To earn this degree, you must complete 90-quarter credits in courses numbered 100 or above (from approved Associate in Science transfer degree Option 1 distribution list) and meet specific distribution requirements. No more than 20 credits may be taken on a pass/no credit basis. Students should be aware that courses with “Pass” grades may not satisfy the requirements in their major field. Each student is responsible for knowing the transfer requirements and policies, and they are urged to consult the catalog of the institution for which they plan to transfer. You must attain a cumulative grade point average of 2.0, and earn a minimum of 24 credits, including the last quarter in residence, at Green River Community College. You should include some 200-level classes in your course of study.

1. GENERAL REQUIREMENTS (20 credits)
A. Communications: (5 credits)
Courses in this area support the written communication learning outcome.

English 110 (5 credits)

After consultation with a science advisor, five additional credits are recommended from the following:

English 111, 112 or 113

B. Quantitative Skills: (15 credits)
Courses in this area support the quantitative and symbolic reasoning learning outcome.

Mathematics 124, 125, 126 or 256

2. HUMANITIES/FINE ARTS/ENGLISH AND SOCIAL SCIENCE (15 credits)
Select 15 credits of humanities/fine arts/English and social science with at least five credits taken from each. Three different subjects required.

A. Humanities/Fine Arts/English
A minimum of 5 credits from the following:

Communication 101, 102, 103, 111
Communication 110, 112, 212, 215, 234, 238, 245
Dance 101, 102, 103, 204
Drama 102, 111, 112, 113, 120, 140, 141, 151, 152, 153
French 101, 102, 103, 201

To receive this information in an alternative format, please contact Disability Support Services at: DSS@greenriver.edu, (253) 833-9111, ext. 2631 or TTY at (253) 288-3359. LC-272.

3. SPECIFIC REQUIREMENTS (50 credits)
Class selection depends on the student's area of study. After consultation with a science advisor, a total of 50 credits are required from the following list:

A. Chemistry 140, 150, and 160 (18 credits)

(Biology 201, 202, and 203 or
Physical Education 101, 102, 103, 111, 113, 149, 160, 165, 169
Degree exceptions for fitness/wellness courses must include medical documentation submitted to Disability Support Services (DSS) and documentation to the Degree Exception Committee.

5. ELECTIVES (2-3 credits)
Select 2-3 credits of any course 100 level or above.

English 111, 112 or 113 may be used.

6. TRANSFERABILITY OF CREDITS
Green River Community College is fully accredited. Academic courses will usually be accepted by other institutions offering the same (or similar) courses. However, each institution has its own transfer policies and each student is responsible for knowing the transfer and admission requirements of the receiving institution. Students are urged to consult with their advisor and a representative from the college they plan to attend after Green River.
ASSOCIATE IN SCIENCE-TRANSFER DEGREE
(AS-T Option 1)

The Associate in Science transfer degree Option 1 encompasses general education courses required of first and second year students and is intended to prepare students planning to transfer to a four-year institution in the science-related fields. It will give students the broad background needed before beginning more specialized, upper-division courses. The Associate in Science transfer degree Option 1 curriculum is not intended to fulfill General Education/University (GER/GUR) requirements, but rather to prepare prospective transfer science students to enter the state universities with junior standing, not only in credits but with major/program preparation as well.

To earn this degree, you must complete 90-quarter credits in courses numbered 100 or above (from approved Associate in Science transfer degree Option 1 distribution list) and meet specific distribution requirements. No more than 20 credits may be taken on a pass/no credit basis. Students should be aware that courses with “Pass” grades may not satisfy the requirements in their major field. Each student is responsible for knowing the transfer requirements and policies, and they are urged to consult the catalog of the institution for which they plan to transfer. You must attain a cumulative grade point average of 2.0, and earn a minimum of 24 credits, including the last quarter in residence, at Green River Community College. You should include some 200-level classes in your course of study.

**Associate in Science-Transfer Degree (AS-T Option 1)**
104-105 Credits

1. BASIC SKILLS (15 credits)
   A. Communications: (5 credits)
      Courses in this area support the written communication learning outcome.
      English 110
   B. Quantitative Skills: (10 credits)
      Courses in this area support the quantitative and symbolic reasoning learning outcome.
      Mathematics 124 and 125

2. HUMANITIES/FINE ARTS/ENGLISH and SOCIAL SCIENCE (15 credits)
   A. Communication 101
   B. Psychology 100
   C. A minimum of 5 credits from the following:
      American Ethnic & Minority Studies 100
      Anthropology 202

3. SPECIFIC PRE-MAJOR REQUIREMENTS (59 credits):
   A. Chemistry (140, 150 and 160) and (235, 236 and 237)
   B. Biology 201, 202 and 203
   C. Mathematics 256

4. ADDITIONAL COURSES (15-16 credits)
   Education 170
   English 111, 112 or 113
   Health Education 190
   Lifetime Fitness/Wellness (2-3 credits):
      Physical Education 101, 102, 103, 111, 131, 149, 160, 163, 169

Although it is not a requirement for this degree, it is recommended that students take additional coursework to better prepare them for transfer into this educational field.

**Recommended** (15 credits)

Physics: The sequence is 110, 111 and 112 or
Physics: The sequence is 150, 151 and 152 or
Physics: The sequence is 201, 202 and 203

To receive this information in an alternative format, please contact Disability Support Services at:
DSS@greenriver.edu, (253) 833-9111, ext. 2631 or TTY at (253) 288-3399. LC-272.

- English 131, 132, 133, 135, 151, 152, 154, 160, 163, 165, 168, 180, 181, 193, 185, 187, 190, 221, 222, 223, 224, 225, 240, 244, 245, 246, 265, 266, 267, 268
- French 101, 102, 103, 201
- German 101, 102, 103
- Humanities 100, 110, 113, 160, 186, 190, 191

**B. SOCIAL SCIENCE**
A minimum of 5 credits from the following:

- American Ethnic & Minority Studies 100, 215
- Anthropology 100, 201, 202, 203, 204, 205, 206, 210, 215, 220, 265, 273, 274
- Behavioral Science 200
- Business Administration 101, 200, 205
- Criminal Justice 100, 215
- Economics 100, 101, 200, 201
- Geography 100, 108, 120, 123, 190, 200, 205
- Political Science 100, 201, 202, 203, 204, 207
- Psychology 100, 200, 201, 209, 210, 220, 250
- Social Science 160, 215
- Sociology 110, 201, 215, 220, 230, 240, 245, 263

### 3. SPECIFIC REQUIREMENTS
Class selection depends on the student’s area of study. After consultation with a science advisor, a total of 50 credits are required from the following list:

**A. Physics**
- Physics 201, 202 and 203 (15 credits)
- Physics 110, 111 and 112 may be substituted with prior consultation with a science/engineering advisor.

**B. Select 6 credits to be taken from the following:**
- Chemistry 140, 150, 160, 235, 236, 237

### 4. LIFETIME FITNESS/WELLNESS (2-3 credits)
Select one course from the following:

- Physical Education 101, 102, 103, 111, 131, 149, 160, 165, 169

Degree exceptions for fitness/wellness courses must include medical documentation submitted to Disability Support Services (DSS) and documentation to the Degree Exception Committee.

### 5. ELECTIVES (2-3 credits)
Select 2-3 credits of any course 100 level or above.

- English 111, 112 or 113 may be used.

### 6. TRANSFERABILITY OF CREDITS
Green River Community College is fully accredited. Academic courses will usually be accepted by other institutions offering the same (or similar) courses. However, each institution has its own transfer policies and each student is responsible for knowing the transfer and admission requirements of the receiving institution. Students are urged to consult with their advisor and a representative from the college they plan to attend after Green River.
ASSOCIATE IN SCIENCE-TRANSFER DEGREE
(AS-T Option 2)

The Associate in Science transfer degree Option 2 encompasses general education courses required of first and second year students and is intended to prepare students planning to transfer to a four-year institution in the science-related fields. It will give students the broad background needed before beginning more specialized, upper-division courses. The Associate in Science transfer degree Option 2 curriculum is not intended to fulfill General Education/University (GER/GUR) requirements, but rather to prepare prospective transfer science students to enter the state universities with junior standing, not only in credits but with major/program preparation as well.

1. BASIC SKILLS (15 credits)
   A. Communications: (5 credits)
      Courses in this area support the written communication learning outcome.
      English 110
   B. Quantitative Skills: (10 credits)
      Courses in this area support the quantitative and symbolic reasoning learning outcome.
      Mathematics 124 and 125

2. HUMANITIES/FINE ARTS/ENGLISH and SOCIAL SCIENCE (15 credits)
   A. Communication 101
   B. Psychology 100
   C. A minimum of 5 credits from the following:
      American Ethnic & Minority Studies 100
      Anthropology 202

3. SPECIFIC PRE-MAJOR REQUIREMENTS (52 credits):
   A. Physics 201, 202, and 203
   B. Chemistry 140 and 160
   C. Mathematics 126, 224, 238, and 240
   D. General Engineering/Computer Science 142

4. ADDITIONAL COURSES (15-16 credits)
   Education 170
   English 111, 112 or 113
   Health Education 190
   Lifetime Fitness/Wellness (2-3 credits):
      Physical Education 101, 102, 103, 111, 131, 149, 160, 165, 169

To earn this degree, you must complete 90-quarter credits in courses numbered 100 or above (from approved Associate in Science transfer degree Option 2 distribution list) and meet specific distribution requirements. No more than 20 credits may be taken on a pass/no credit basis. Students should be aware that courses with “Pass” grades may not satisfy the requirements in their major field. Each student is responsible for knowing the transfer requirements and policies, and they are urged to consult the catalog of the institution for which they plan to transfer. You must attain a cumulative grade point average of 2.0, and earn a minimum of 24 credits, including the last quarter in residence, at Green River Community College. You should include some 200-level classes in your course of study.

To receive this information in an alternative format, please contact Disability Support Services at: DSS@greenriver.edu, (253) 833-9111, ext. 2631 or TTY at (253) 268-3359. LC-272.
ASSOCIATE IN SCIENCE-TRANSFER DEGREE (AS-T Option 2 MRP)

The Associate in Science transfer degree option 2 MRP encompasses general education courses required of first and second year students and is intended to prepare students planning to transfer to a four-year institution in the science-related fields. It will give students the broad background needed before beginning more specialized, upper-division courses. The Associate in Science transfer degree option 2 MRP curriculum is not intended to fulfill General Education/University (GER/GUR) requirements, but rather to prepare prospective transfer science students to enter the state universities with junior standing, not only in credits but with major/program preparation as well.

To earn this degree, you must complete 90-quarter credits in courses numbered 100 or above (from approved Associate in Science transfer degree option 2 MRP distribution list) and meet specific distribution requirements. No more than 20 credits may be taken on a pass/no credit basis. Students should be aware that courses with "Pass" grades may not satisfy the requirements in their major field. Each student is responsible for knowing the transfer requirements and policies, and they are urged to consult the catalog of the institution for which they plan to transfer. You must attain a cumulative grade point average of 2.0, and earn a minimum of 24 credits, including the last quarter in residence, at Green River Community College. You should include some 200-level classes in your course of study.

1. GENERAL REQUIREMENTS (35 credits)
   A. Communications: (5 credits)
      Courses in this area support the written communication learning outcome.
      English 110 (5 credits)
   B. Quantitative Skills: (30 credits)
      Courses in this area support the quantitative and symbolic reasoning learning outcome.
      Mathematics 124, 125, 126, 224, 238 and 240

2. HUMANITIES/FINE ARTS/ENGLISH and SOCIAL SCIENCE (15 credits)
   (Select 15 credits of humanities/fine arts/English and social science with at least five credits taken from each.
   Three different subjects required.)
   A. Humanities/Fine Arts/English
      A minimum of 5 credits from the following: No more than 5 credits allowed in any one discipline. No more than 5 credits in foreign language at the 100 level. No more than 5 credits in performance/skills courses (all courses in bold type) can be applied towards Humanities/Fine Arts/English distribution.
      Art 100, 105, 106, 107, 109, 110, 111, 112, 113, 114, 115, 120, 130, 209, 210, 212, 213, 214, 251, 252, 253, 256, 257
      Chinese 101, 102, 103
      Communication 101, 110, 212, 215, 234, 238, 245
      Dance 101, 102, 103, 204
      Drama 102, 111, 112, 113, 120, 140, 141, 151, 152, 153
      English 131, 132, 133, 135, 151, 152, 154, 160, 163, 165, 168, 180, 181, 183, 185, 187, 190, 221, 222, 223, 224, 240, 244, 245, 246, 265, 266, 267, 268
      French 101, 102, 103, 201
      German 101, 102, 103
      Humanities 100, 110, 133, 160, 186, 190, 191, 224
      Japanese 101, 102, 103
      Journalism 101, 150, 151, 152, 201, 254
      Philosophy 100, 102, 103, 104, 105, 110, 112, 114, 115, 160, 200, 206, 210, 220, 238, 240, 243
      Photography 101, 102, 103, 104
      Spanish 101, 102, 110, 201, 202, 203
   B. Social Science
      A course in Economics is recommended.
      A minimum of 5 credits from the following:
      American Ethnic & Minority Studies 100, 215
      Anthropology 100, 201, 202, 203, 204, 205, 206, 210, 215, 220, 265, 273, 274
      Behavioral Science 200
      Business Administration 101, 200, 205
      Criminal Justice 100, 215
      Economics 100, 101, 200, 201
      Geography 100, 108, 120, 123, 190, 200, 205, 260
      History 101, 102, 103, 120, 122, 135, 200, 220, 221, 222, 224, 225, 226, 228, 230, 231, 232, 233, 235, 237, 240, 245, 250
      Political Science 100, 201, 202, 203, 204, 207
      Psychology 100, 200, 201, 209, 210, 220, 250
      Social Science 160, 215
      Sociology 110, 201, 215, 220, 230, 240, 245, 260

3. SPECIFIC REQUIREMENTS (62 credits)
   A. Physics 201, 202 and 203 (15 credits)
   B. Chemistry 140 and 150 (12 credits)
   C. Select 5 credits from the following:
      Computer Science 145
      General Engineering/Computer Science 142, 143, 144
   D. Engineering course requirements (20 credits)
      General Engineering 100, 106, 112, 240, 281
      Select 10 credits from the following list after consultation with a science/engineering advisor.
      English 113
      General Engineering 104, 123, 140, 235, 280

4. TRANSFERABILITY OF CREDITS
   Green River Community College is fully accredited. Academic courses will usually be accepted by other institutions offering the same (or similar) courses. However, each institution has its own transfer policies and each student is responsible for knowing the transfer and admission requirements of the receiving institution. ASSOCIATE IN SCIENCE-TRANSFER DEGREE
(AS-T Option 2 MRP)

The Associate in Science transfer degree Option 2 MRP encompasses general education courses required of first and second year students and is intended to prepare students planning to transfer to a four-year institution in the science-related fields. It will give students the broad background needed before beginning more specialized, upper-division courses. The Associate in Science transfer degree Option 2 MRP curriculum is not intended to fulfill General Education/University (GER/GUR) requirements, but rather to prepare prospective transfer science students to enter the state universities with junior standing, not only in credits but with major/program preparation as well.

To earn this degree, you must complete 90-quarter credits in courses numbered 100 or above (from approved Associate in Science transfer degree Option 2 MRP distribution list) and meet specific distribution requirements. No more than 20 credits may be taken on a pass/no credit basis. Students should be aware that courses with “Pass” grades may not satisfy the requirements in their major field. Each student is responsible for knowing the transfer requirements and policies, and they are urged to consult the catalog of the institution for which they plan to transfer. You must attain a cumulative grade point average of 2.0, and earn a minimum of 24 credits, including the last quarter in residence, at Green River Community College. You should include some 200-level classes in your course of study.

### 1. GENERAL REQUIREMENTS (30 credits)

#### A. Communications: (5 credits)
Courses in this area support the written communication learning outcome.

**English** 110 (5 credits)

#### B. Quantitative Skills: (25 credits)
Courses in this area support the quantitative and symbolic reasoning learning outcome.

**Mathematics** 124, 125, 126, 224 and 238

### 2. HUMANITIES/FINE ARTS/ENGLISH and SOCIAL SCIENCE (15 credits)
(Select 15 credits of humanities/fine arts/english and social science with at least five credits taken from each. Three different subjects required.)

#### A. Humanities/Fine Arts/English
A minimum of 5 credits from the following:
No more than 5 credits allowed in any one discipline. No more than 5 credits in performance/skills courses (all courses in bold type) can be applied towards Humanities/Fine Arts/English distribution. No more than 5 credits in foreign language at the 100 level.

**Art** 100, 105, 106, 107, 109, 110, 111, 112, 113, 114, 116, 120, 130, 190, 210, 212, 213, 214, 251, 252, 253, 255, 256, 257

**Chinese** 101, 102, 103, 111

**Communication** 101, 110, 212, 215, 234, 238, 245

**Dance** 101, 102, 103, 204

**Drama** 102, 111, 112, 113, 120, 140, 141, 151, 152, 153

**English** 131, 132, 133, 135, 151, 152, 154, 160, 163, 165, 168, 180, 181, 183, 185, 187, 190, 221, 222, 223, 224, 225, 240, 244, 245, 246, 265, 266, 267, 268

**French** 101, 102, 103, 201

**German** 101, 102, 103

**Humbreks** 100, 110, 133, 160, 186, 190, 191, 224

**Japanese** 101, 102, 103

#### B. Humanities/Fine Arts/English
A course in Economics is recommended.

A minimum of 5 credits from the following:

**American Ethnic & Minority Studies** 100, 215

**Anthropology** 100, 101, 202, 203, 204, 205, 206, 210, 215, 220, 265, 273, 274

**Behavioral Science** 200

**Business Administration** 101, 200, 205

**Criminal Justice** 100, 215

**Economics** 100, 101, 200, 201

**Geography** 100, 108, 120, 123, 190, 200, 205

**History** 101, 102, 103, 120, 122, 135, 200, 220, 221, 222, 224, 225, 226, 228, 230, 231, 232, 233, 235, 237, 240, 246, 250

**Political Science** 100, 201, 202, 203, 204, 207

**Psychology** 100, 200, 201, 209, 210, 220, 250

**Social Science** 160, 215

**Sociology** 110, 201, 215, 220, 230, 240, 245, 260

### 3. SPECIFIC REQUIREMENTS (57 credits)

#### A. Physics 201, 202 and 203 (15 credits)

#### B. Chemistry 140, 150, 160 and 235 (24 credits)

#### C. Select 5 credits from the following:

- **Computer Science** 142, 143, 144, 145
- **General Engineering** 142, 143, 144

#### D. General Engineering 100

#### E. Select 5-6 credits

- **Biology** 100 or Chemistry 236

### 4. TRANSFERABILITY OF CREDITS

Green River Community College is fully accredited. Academic courses will usually be accepted by other institutions offering the same (or similar) courses. However, each institution has its own transfer policies and each student is responsible for knowing the transfer and admission requirements of the receiving institution. Students are urged to consult with their advisor and a representative from the college they plan to attend after Green River.
University Transfer

ASSOCIATE IN SCIENCE-TRANSFER DEGREE
(AS-T Option 2 MRP)

The Associate in Science transfer degree Option 2 MRP encompasses general education courses required of first and second year students and is intended to prepare students planning to transfer to a four-year institution in the science-related fields. It will give students the broad background needed before beginning more specialized, upper-division courses. The Associate in Science transfer degree Option 2 MRP curriculum is not intended to fulfill General Education/University (GER/GUR) requirements, but rather to prepare prospective transfer science students to enter the state universities with junior standing, not only in credits but with major/program preparation as well.

To earn this degree, you must complete 90-quarter credits in courses numbered 100 or above (from approved Associate in Science transfer degree Option 2 MRP distribution list) and meet specific distribution requirements. No more than 20 credits may be taken on a pass/no credit basis. Students should be aware that courses with “Pass” grades may not satisfy the requirements in their major field. Each student is responsible for knowing the transfer requirements and policies, and they are urged to consult the catalog of the institution for which they plan to transfer. You must attain a cumulative grade point average of 2.0, and earn a minimum of 24 credits, including the last quarter in residence, at Green River Community College. You should include some 200-level classes in your course of study.

1. GENERAL REQUIREMENTS (30 credits)
   A. Communications: (5 credits)
      Courses in this area support the written communication learning outcome.
      English 110 (5 credits)
   B. Quantitative Skills: (25 credits)
      Courses in this area support the quantitative and symbolic reasoning learning outcome.
      Mathematics 124, 125, 126, 224 and 238

2. HUMANITIES/FINE ARTS/ENGLISH and SOCIAL SCIENCE (15 credits)
   (Select 15 credits of humanities/fine arts/English and social science with at least five credits taken from each. Three different subjects required.)
   A. Humanities/Fine Arts/English
      A minimum of 5 credits from the following:
      No more than 5 credits in foreign language at the 100 level. No more than 5 credits allowed in any one discipline. No more than 5 credits in performance/skills courses (all courses in bold type) can be applied towards Humanities/Fine Arts/English distribution.

   C. Select 10 credits

3. SPECIFIC REQUIREMENTS (51 credits)
   A. Physics 201 and 202 (15 credits)
   B. Chemistry 140 (6 credits)
   C. Select 10 credits from the following:
      General Engineering/Computer Science 142 and 143 or
      General Engineering/Computer Science 144 and Computer Science 145

For more information or to receive this information in an alternative format, please contact Disability Support Services at: DSS@greenriver.edu, (253) 833-9111, ext. 2631 or TTY at (253) 288-3359. LC-272.
ASSOCIATE PRE-PROFESSIONAL DEGREE (A-PP)

While students in most college majors take the same general education requirements during their first two years, some majors demand more specialized subjects. The Associate Pre-Professional degree is designed for those students who need specific requirements that prevent them from satisfying the broad requirements of the AA, AB, AM, AElemEd, APreNurse, AAS-T, or AS-T degrees or that will enhance their program of study at the transfer institution.

If students wish to design a program to transfer to a specific department within a four-year institution, they should consult advisors at both Green River and their Transfer College or university. Students are responsible for finding out the unique requirements of the institution they plan to attend after Green River. An advisor will help students plan an appropriate selection of classes to ensure that all requirements of the transfer institution are met; the program will be customized for the transfer institution of their choice. Students are required to present an Associate Pre-Professional degree plan to their advisor for approval. The plan becomes a permanent part of the student's record.

Contact an advisor in the Career and Advising Center for assistance in submitting an A-PP degree plan.

ACADEMIC CERTIFICATE

A certificate in an academic area of study is awarded in recognition of an individual's attainment of a body of knowledge that will strengthen the student's educational experience. These skills are based on standards that faculty within that area have developed to emphasize or enhance a student's major-ready preparation. Academic certificates, when used in conjunction with an Associate in Arts degree, will help emphasize a student's educational experiences.

Requirements include:

- Earn a minimum grade point average of 2.0
- Complete a minimum of 25% of the credits required, including the last quarter in residence, at Green River.

- Earning no more than 10 credits on a pass/no credit basis. Students should be aware that courses with “Pass” grades may not satisfy the requirements in their major field. Each student is responsible for knowing the transfer requirements and policies, and they are urged to consult the catalog of the institution to which they plan to transfer.

ASSOCIATE IN APPLIED SCIENCE-TRANSFER DEGREE (AAS-T)

The Associate in Applied Science-Transfer degree (AAS-T) is built upon the technical courses required for job preparation but also includes a college-level general education component, common in structure for all such degrees. Further, the general education courses for the degree are drawn from the same list as those taken by students completing the Direct Transfer Agreement (DTA) associate degree or the Associate in Science-Transfer (AS-T) degree.

The following guidelines provide specific information about how this degree may be developed:

Degree requirements include:

- 70 credits in the technical field as specified by the industry advisory committee.
- 20 credits of general education courses as follows:
  - 5 credits communications – Engr 110
  - 5 credits quantitative reasoning – College-level math with Math 097, Intermediate Algebra as a prerequisite
  - 10 credits in social science, humanities, or science – to be selected from the list of courses “generally accepted”.
- Earning a minimum of 90 credits with a minimum grade point average of 2.0.
- Completing the minimum of 24 credits, including the last quarter of residence at Green River Community College.
- Earning no more than 25% of the credit requirements on a pass/no credit basis.

The curriculum for each Associate in Applied Science-Transfer degree is determined by the faculty of Green River Community College in conjunction with each discipline advisory committee from business and industry. Consult the listing of the program of your choice for specific courses required.
