**Assignment Scoring Guide**

Score	Criteria for Score
<b>10 points</b>	The assignment has a stamp, all questions are answered <i>neatly</i> and completely; All responses have been checked with your team/in class and/or with the answer key (if available) and corrections made—it's high quality work & quite obvious that a conscientious effort was made.
<b>7 to 8 pts</b>	The assignment has a stamp, but the assignment is not complete, is messy and/or some questions were not checked or corrected.
<b>5 points</b>	The same as for 10 points, but <i>assignment does not have a stamp</i>
<b>2 to 3 pts</b>	The same as for 7 to 8 points, but <i>assignment does not have a stamp</i>
<b>0 points</b>	The assignment <i>does not have a stamp</i> , is very incomplete and of low quality—it's obvious that a conscientious effort was <i>not</i> made to complete the work.

**Freebie (FB) Rule:**

In *each portfolio* you are allowed one "Freebie" assignment without a stamp. If a reasonable effort has been made to complete the assignment, then the 1<sup>st</sup> assignment w/o a stamp will be scored as a stamped assignment according to the criteria above. However, the 2<sup>nd</sup> assignment w/o a stamp follows the scoring criteria above for assignments without a stamp.
