

# Getting Started

---

## 1. Sign In

Select the **Sign-In** button in the header or visit [learn.hawkeslearning.com](https://learn.hawkeslearning.com)

## 2. Create an Account

On the sign-in page, select **Create an Account**.

## 3. Choose an Option

### 1. I have an Access Code or License Number

If you have an existing Access Code or License Number, select this option.

**Note:** Access Codes are 30 characters long and contain letters and digits. License numbers are 15 digits long. Note that if you purchased from a bookstore, you will have a License Number. This can be found on your **Getting Started** directions or the CD sleeve.

### 2. I want to Purchase Access

To complete and receive credit for your course, you will need to Purchase Access.

### 3. I want to request Temporary Access

Before requesting Temporary Access, ask your instructor whether or not this option is available for your course.

**Note:** If this option is available, be aware that you will need to Purchase Access in order to complete and receive credit for your course. Also, you will need to activate your Temporary Access before it expires in order to ensure you receive credit for all of your work, maintain access to all course materials, and have up-to-date curriculum.

## 4. Add Your Information

Follow the steps in order to create your account.

## 5. Enroll

To properly enroll and receive credit your course, make sure to select your correct instructor and section.

**Congratulations!** You are now ready to begin!
